Triple Trek™ Ultrabook™ Tote

K62588EU

Product Description

Safely carry your Ultrabook without resorting to hauling around a frumpy bag with the Kensington Triple Trek Ultrabook Tote. Its stylish, distinctive good looks disguise the fact that the Ultrabook Tote is actually a safe and functional way to transport your Ultrabook and tablet computers. It also makes it easier to use your tablet. Simply zip open the tote and the built-in tablet stand simplifies viewing your tablet when on the go. Compartments for a tablet, Ultrabook and even Smartphone are fleece lined to swaddle your devices in a soft layer of protection while also keeping them organized. As great as it looks, the Ultrabook Tote feels great too, thanks to strengthened carry handles with comfort grips. Inside, the Ultrabook Tote is thoughtfully constructed with room for power cords, a presenter, pens, stylus and more. You'll find plenty of room for your files, too. There's even an accessory pocket with a built-in carabineer clip to hold your keys. The quick access storage pocket on the back is perfect for holding your transit tickets, change and more. After a long day at the office, you'll be happy to know the Ultrabook Tote is so effective at disguising the fact that you're carrying an expensive Ultrabook, it may even provide you with some added peace of mind.
